

Music Teaching rates of pay

Promulgated rates for self-employed music teachers 2021-2022

Teaching rate 2021-2022

- £36.00 per hour

This rate is for individual lessons or for small-group teaching. It can be adjusted pro rata for lessons shorter than one hour. Rates for whole-class or large-group teaching and ensemble direction can be negotiated up to reflect any additional preparation time.

Workshop leading rate 2021-2022

- £208 per day

This rate is for delivering a workshop with a maximum length of five hours. It can be adjusted pro rata for workshops of less than five hours and increased to reflect additional preparation time and any equipment or resources provided by the workshop leader.

Schools concert rate 2021-2022

- £89

This includes a rehearsal and a concert on the same day. It covers taking part in concerts as a performer, as well as working as a conductor or an accompanist.
